| | | | | |
| | | | | |

Materials to be used: Please list the recipe of all materials used. You must include the scientific name along with the common name for the product. Lastly, please calculate the total **wholesale** cost of only the floral arrangement. Only flowers, mechanics, and floral containers are all that needs to be calculated into the wholesale price, no other table adornments are needed. (i.e. tablecloths, plates, napkins, silverware, etc.) *Total not to exceed \$150.00 per page 2 of rules*.
